Head Teacher Message

A huge well done to our year 1 children who completed their Phonics Screening Check and our Year 4 pupils who took part in the Multiplication Tables Check this week.

We are incredibly proud of the positive attitude, hard work and perseverance they have shown.

These assessments give children the chance to demonstrate the skills they have been developing throughout the year, and they approached them with confidence and determination.

Thank you to our staff for their support and preparation and to parents and carers for their encouragement at home. Most importantly, congratulations to all of our children for trying their best - you make us very proud every day!

Healthy Eating Week 2026

This week, we celebrated Healthy Eating Week with an exciting range of activities designed to help us learn how to make healthy choices and look after our wellbeing. We enjoyed a special assembly with Mr Nourish, who shared fun and informative advice about healthy eating and living a balanced lifestyle.

On Thursday, the children took part in fantastic healthy eating workshops, including live-action cooking demonstrations and exciting competitions. These activities helped everyone discover more about nutritious foods, healthy habits, and the importance of making positive choices every day.

Did you know?

- 🥕 Carrots were originally purple, not orange!
- 🍓 Strawberries are the only fruit with seeds on the outside.
- 🥚 An ostrich egg is the largest egg in the world and can weigh as much as 24 chicken eggs!
- 🥦 Broccoli contains more protein than many people realise and is packed with vitamins.
- 🍏 Apples float in water because they are made up of about 25% air.

We hope these tips and activities inspire healthy habits that will last all year round. 🌟🍷🍷

Yr4 Edenbridge River Trip

As part of their topic from Spring, 'Land, Sea and Sky', year 4 went for a walk along the river Eden.

They discussed how the river meanders and why it is larger in some areas but smaller in others. Once back at school they took time to sketch drawings from what they could remember of the river along. Despite the weather it was a lovely walk to end out the topic!

Yr3 Ashdown Forest Trip

This week, year 3 visited Ashdown Forest to learn more about their topic 'Scavengers and Settlers'. Their day included learning about different artefacts, making tools and their own dens. A great day was had by all!

Around the school in pictures!

Attendance

This week's attendance figures:

Class	%	Class	%
Tower	90	Golden Gate	88
Westminster	96	Lions Gate	87
Severn	98	Manhattan	93
Clifton	85	Ikuchi	95
Jubilee	87	Anji	90
Tyne	94	Auckland	84
Amb	95	Sea Cliff	90

Whole School Attendance: 91%
