Head Teacher Message

What a fabulous first week I have had at Edenbridge Primary School! The children have really impressed me with their politeness, kindness, good learning behaviour and friendliness. I have set a challenge to try to know all their names by Christmas and I will try my best.

The school staff have been equally impressive with their dedication to always do the best for the children within our care. The school looks amazing and everything was ready at the start of term for the children returning. Thank you to all the staff.

Finally thank you for everyone who has stopped to speak to me at the gate and wished me a good day. I feel so welcomed and blessed to be the Head of School of EPS. We have a great year ahead!

PE Kits

Thank you all for ensuring the children come to school in their P.E. kits on their P.E. days.

As we head towards Autumn and Winter children can wear a black tracksuit top over the top of their kits for warmth, or they can wear their school jumper.

Attendance

One of the school's key priorities this year is improving school attendance. Each week on the newsletter we will be reporting the school's current attendance figure and the figures for each class. Improving attendance is a shared responsibility and we hope to work with you all to ensure that children are in school as regularly as possible.

Lost Property

We will always endeavour to return lost property to their owner when clearly named. Any items that are not named will be placed in the red lost property bins which you will find in the playground just beyond the double gates.

Please make sure everything your child brings to school is clearly named (first name and surname), including water bottles and packed lunch containers. Items not collected by the end of every half-term will be donated to charity or recycled.
