Head Teacher Message

It was such a pleasure this week to announce our new pupil leadership team! The children are involved in a variety of roles across the school. We have Head Pupils, Deputy Head Pupils, Prefects, Sports Ambassadors, Music Ambassadors, Digital Leaders, School Council and Eco Council. The children will help with a whole range of schoolwide initiatives and we will be listening carefully to their voice to see what further improvements we can make to our great school.

If your child has any ideas of changes we could make, please do ask them to speak to the pupil leadership team. I will be holding the first School Council meeting next week and I'm looking forward to finding out the children's thoughts.

Have lovely weekend in the sunshine.

Miss Lowe

Roadworks

As you know, there are roadworks on Mount St Aignan Way and Station Road which are causing long delays. These are due to be in place, in some form, until 3rd November. Please plan your route and allow enough time to arrive by the start of the school day. You can see information about the works [here](#).

Individual Pupil Photos

For those pupils that had their photo taken on Wednesday, the opportunity to buy prints, digital downloads and other items, such as keyrings, will be available shortly.

Your child was given a QR code to bring home, which you can scan to login or create an account. You will then be notified when the photos are available, which is usually about a week after they've been taken. If your child didn't bring a code home, please contact the school office after next Wednesday and we will be able to give it to you.

Vancols will be returning later in the year to take whole class photos. We will let you know the date nearer the time.

Wonderful Learning from the Week

Comparing rocks, poems and emotions, history and science.
Amazing work everyone!
