### Head Teacher Message

This week started with some spooky goings on at the Monster Ball! The children looked fabulous in their costumes and they had such a great time. Thank you so much to all the volunteers who made this event possible – a great time was had by all and it was a great fundraiser too!

As part of the wider curriculum to enrich the children's learning and take it beyond the classroom we are keen for the children to have access to wider enrichment opportunities. This week Year 6 had the opportunity to travel by train to London and visit the Natural History Museum to complement their classroom learning.

Year 3 were lucky enough to be able to partake in a Fizz Pop Science workshop and I am sure that the children will love telling you all about what they have learned.

Have a lovely half term, Miss Lowe

### Collection by Siblings

If you are arranging for an older sibling to collect your child, please be aware that they need to be over the age of 14.

Please ensure you have let the office know in advance that someone else will be collecting your child.

Thank you!

### Young Writers Competition

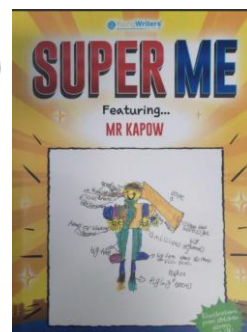

Some of our pupils took part in a Young Writers competition last academic year. They designed some amazing super heroes, which were published in the 'Super Me' drawing competition from Young Writers. Well done to all those that applied, and well done to our finalist, Taylan, whose drawing was featured on the front cover!

### Some of our Wonderful Learning from this Week

A finalist in the 'Super Me' Young Writers competition, earthquakes & volcanoes and Fizz Pop science!
